DIGITAL SKILLS

Technical Skills

C# | Python | Javascript | .NET Framework | ASP.NET / ASP.NET Core | Angular JS | Entity Framework | Relational Database Management System (RDBMS) | Object-Relational Mapping (ORM) | MVC | SOLID design principles | N-Tier Architecture | MS-SQLServer | Web API

LANGUAGE SKILLS

Mother tongue(s): Bangla

Other language(s): English , Hindi

HOBBIES AND IN-TERESTS

Photography

In the midst of a constantly changing world, photography allows me to freeze a single, still moment, preserving its significance.

Technology

Outside of my studies, I'm really into technology. I like staying updated with the newest tech trends, trying out new gadgets, and playing around with software. Figuring out how tech fits into our daily lives is both fun and a way for me to keep learning.
